

Adapt quickly and conveniently to the tasks at hand with Aspire, the conference table for the changing workplace.

In this conference table, flexibility and function unite with contemporary aesthetics. Aspire was designed for mobility and multiple purposes. With the largest Aspire folding table, even an unscheduled change of venue is not a problem. Folded twice, it fits through every door and onto the elevator—easily moved by a single person.

Kimball® Office

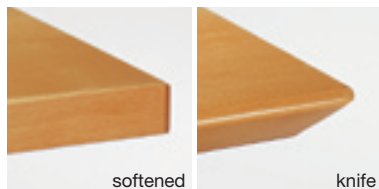

ASPIRE®

Facility needs can change hour to hour—
the Aspire table copes with it, beautifully!

- Boat-shaped and rectangular mobile folding tables come in three sizes.
- Elliptical, boat-shaped and rectangular non-folding tables are available static or mobile, in four sizes.
- Aspire bases are polished aluminum.
- Table tops come in Maple, Cherry and Walnut hardwoods, in a full array of finish choices that match Kimball Office private office and open plan furniture. Choice of softened or knife table edge details.
