

Cana : Modern and Simple

Cana embodies the beauty and simplicity of modern design. Characterized by clean, crisp lines, the collection offers a complete portfolio of furniture that includes desks,

credenzas, hutches and gallery units ideal for reception applications. Complementary tables and storage cabinets complete the line. An affordable, yet distinctive and

well-crafted collection, Cana is suitable for a variety of business settings. The modest price contributes to its fresh, modern appeal.

Teknion wood

cana

Designed in the spirit of economy, versatility and function, Cana components are non-handed to simplify configuration. Lower storage components are freestanding units independent of the Desk, Return and

Credenza shell. They simply slide under the shell, allowing users to move or add storage as required. Cana worksurfaces are 1-3/16 inches thick, with two stylish edge details in solid hardwood.

RADIUS EDGE

PENCIL RADIUS EDGE

WITH A TRANSACTION TOP IN WHITE LACQUER AND FROSTED GLASS, THE GALLERY DESK MAKES A STRIKING RECEPTION STATION. FOR ENHANCED FUNCTIONALITY, THE DESK MAY BE PAIRED WITH A CREDENZA AND PAPER MANAGEMENT COLLATOR.
